Creating a FAF Group

Modified on: Thu, 29 Nov, 2018 at 9:36 AM

1. Ensure **-- NEW COMPANY --** is selected from the **Company** drop down
2. Enter a **name** for your new FAF Group
3. Select **FAF Group** from the **type** drop down
4. Enter the Fuel Adjustment Factor that this FAF Group uses, into the **Fuel %** drop down
5. Click the **Add** button
