

# Logging in

Modified on: Mon, 15 Apr, 2019 at 10:00 AM

## Prerequisites

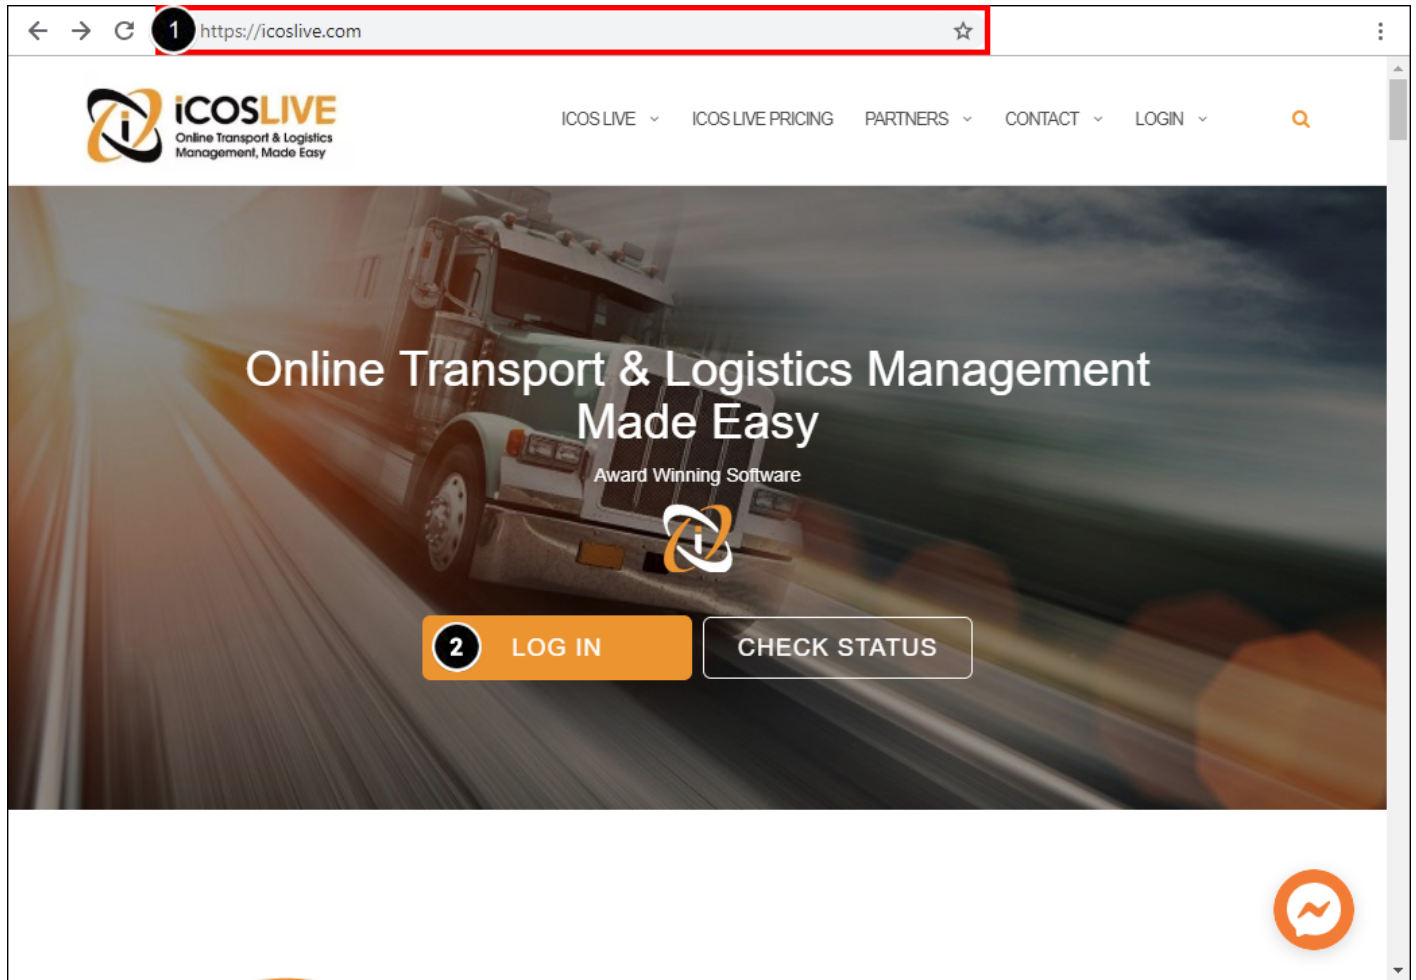

iCOS LIVE requires the Chrome browser or the Firefox browser. Please ensure you have one of these installed before proceeding.

- Chrome download URL: <https://www.google.com/chrome/browser/desktop/index.html> (<https://www.google.com/chrome/browser/desktop/index.html>)
- Firefox download URL: <https://www.mozilla.org/en-US/firefox/new/> (<https://www.mozilla.org/en-US/firefox/new/>)

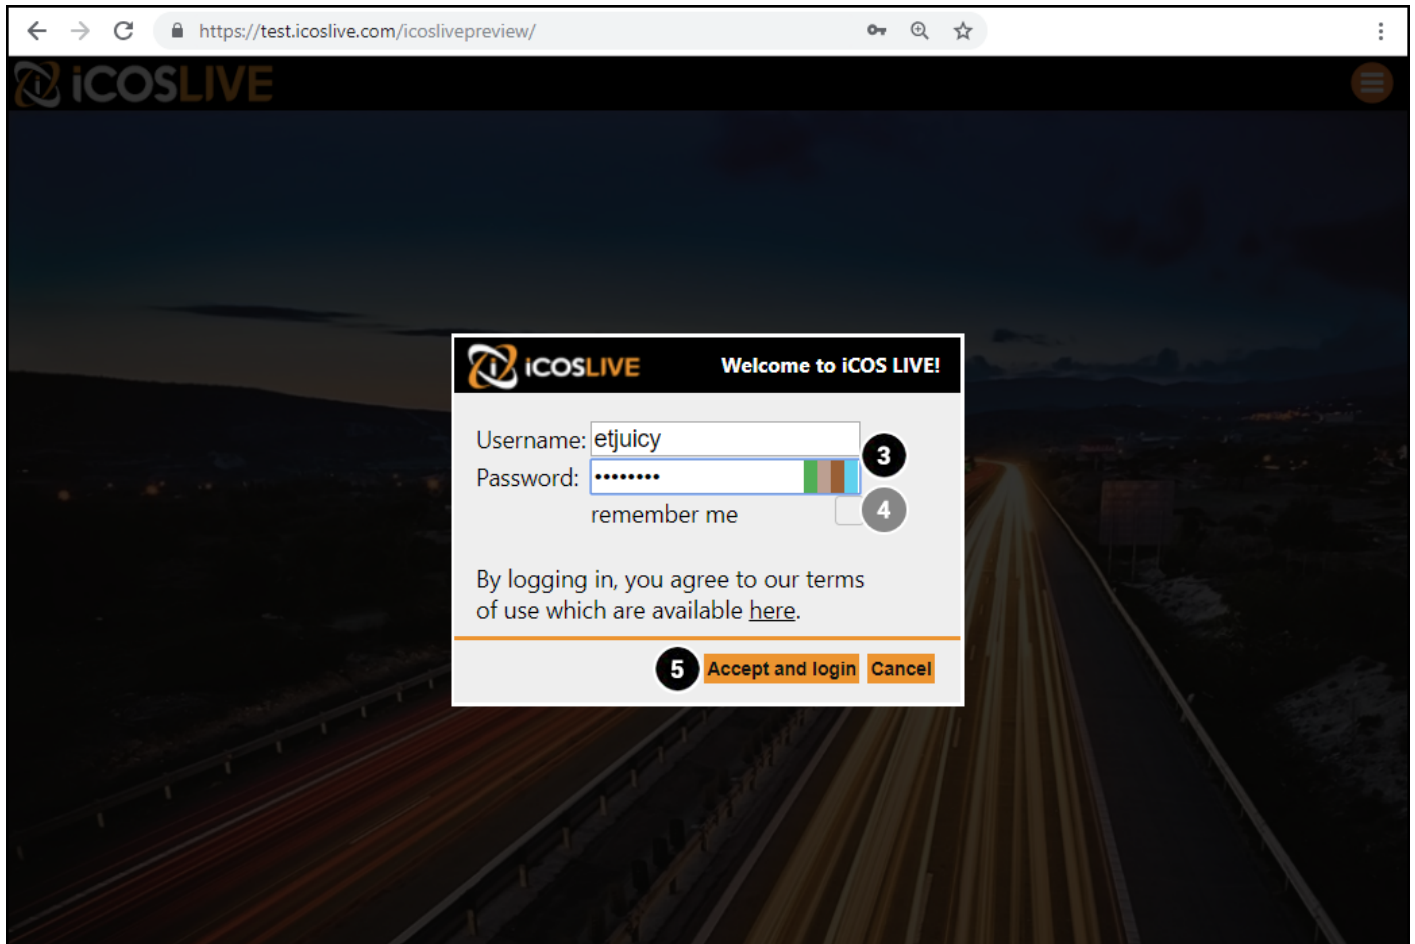

*Only one user can be logged in at a time, per browser.*

## Logging in

1. Open the iCOS LIVE website URL: <https://icoslive.com> (<https://icoslive.com/>) in Chrome or Firefox
2. Click the "**Log in**" button

3. Enter your **username** and **password** provided by your Super User
4. *Optionally* tick "**remember me**"
5. Click "**login**"

### Needing to Loggin more then Once

If you need to loggin twice, as you would like to work on different parts of the system at the same time, please type **CTRL SHIFT and N(Chrome)** and **CTRL SHIFT and P (Internet Explorer)** to open a new incognito tab in Chrome. Once you have this open you can loggin again using the same address, username and password.
